

Appl. No. 10/026,341
Reply to June 2, 2004 Office Action

Remarks

The action alleges that the application fails to comply with the requirements of 37 CFR 1.821 through 1.825. The action alleges that pages 7 and 9 of the specification disclose sequences without the required sequence identifiers.

The sequences disclosed at pages 7 and 9 without sequence identifiers are contained in the previously submitted paper and CRF of the sequence listing. Application pages 7 and 9 are amended herein to insert the sequence identifiers.

Respectfully submitted,
ALAIN MAUVIEL
